Team Captains,

Please pass this along to your teams:

Due to the hurricane conditions today and heavy rain last night, all games are canceled today (Sept 6th - Week 1).

The Week 1 games will be made up at the end of the season on Nov 1st following the same field and game time assignments.

Please follow the Week 2 schedule next week.

Union Jacks and Caddies will still be offering the food and Miller Lite drink specials today for SSB members.

Thanks,
